

The Blue Falcons Gymnastic Display Team was founded by retired head coach Mr Mick Ford. The main format of the displays are based upon the armed services form of gymnastic displays. Although there are no limits to the type of vaults performed. In its repertoire the team include vaulting each other, cars and motorbikes.

Displays & Venues:

In addition to their annual displays at various venues in various destinations like Essex, Portsmouth and Folkstone etc. The team had been asked to the NIA Birmingham International Tattoo in 2009, 2011 and 2013 where they performed alongside the Army, Royal Navy and Royal Air Force in front of around 20,000 spectators.

The Team

The Adult Support: This consists of parent volunteers who help the team in many ways from supporting gymnasts to fundraising and first aiders. If you wish to help out in any way please speak to Gary Steggall. We are always grateful for extra help.

The Fledgling Team: This team coached by fledgling team manager Gavin Tyrie-Owers and second coach Laura Wright. This allows the children to gain confidence and competence with various vaulting skills and a basic understanding of display work, in which they'll use to transition into the main and senior team.

Sponsors

Members of the team are deeply indebted to their current sponsors **The Royal Navy**, **GKS tree surgery** and **Webwax**.
